Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the United States Patent and Trademark Office ("USPTO") of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby invite the Examiner's attention to reference A23 listed on the attached form entitled "List of References Cited by Applicant."

A copy of reference A23 is not submitted herewith because it is a U.S. patent. Pursuant to 37 C.F.R. § 1.98 (a)(2)(i) as amended (see Fed. Reg. vol. 69, no. 182, Sept. 21, 2004), the requirement for providing a copy of each U.S. patent or U.S. patent application publication listed in an Information Disclosure Statement in a patent application, regardless of the filing date of the application, is eliminated.

Identification of the listed reference is not meant to be construed as an admission of Applicants or Attorneys for Applicants that such reference is available as "prior art" against the subject application.

Applicants respectfully request that the Examiner review the foregoing reference and that the reference be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(b)(4), Applicants believe that no fee is due in connection with the filing of this Information Disclosure Statement, since a Request for Continued Examination was filed on August 11, 2006. However, should the Patent Office determine otherwise, please charge the necessary fee to Jones Day Deposit Account No. 50-3013. A duplicate of this sheet is enclosed.

Respectfully submitted,
